

Research Computing Cloud Week

August 29 - 31, 2017

Cloud Week is a hands-on interactive workshop that allows the ASU community an opportunity to gain valuable insight from cloud service leaders.

Make sure you bring your laptop for a hands-on interactive experience.

Who it's for:

Undergraduate/Graduate students, Postdocs, Researchers,
Data Scientists and Professors

Event

Tue, August 29	8-12pm	Penguin Computing
Wed, August 30	9:30-11:00am	Amazon Web Services (AWS)
Thu, August 31	8-12pm	Microsoft Azure

Location

Biodesign Institute Auditorium B105
